Remove Classic Shell. The tool will attempt to manually remove the Classic Shell software from your system. Use it in case you are having problems uninstalling using the conventional methods. It is designed to work even after a failed attempt to uninstall the software when some of the registry may be corrupted or some of the files may be missing.

### Classic Shell: Downloads

Classic Shell™ is free software that improves your productivity, enhances the usability of Windows and empowers you to use the computer the way you like it. The main features are: Highly customizable start menu with multiple styles and skins. Quick access to recent, frequently-used, or pinned programs. Find programs, settings, files and documents.

### Classic Shell - Start menu and other Windows enhancements

Classic Shell Scripting is written to help you reliably navigate these tricky waters. Writing shell scripts requires more than just a knowledge of the shell language, it also requires familiarity...

### Classic Shell Scripting: Hidden Commands that Unlock the ...

"Classic Shell Scripting" by Arnold Robbins and Nelson H. F. Beebe is a decent text on portable shell scripting, which also contains a fair amount of awk. Though written in tutorial form, it explicitly assumes that the reader knows how to use the shell interactively and, as I show below, in some cases implicitly assumes that the reader already knows the basics of shell scripting.
