Procedural Due Process. The second session, which tackled procedural aspects of due process, began with a keynote by Carolyn Lamm. Noting that due process rests at the heart of the integrity of any arbitral proceeding (and the confidence that parties have in the process), she addressed a number of areas in which procedural due process issues ...

The European Union Emissions Trading System (EU ETS), was the first large greenhouse gas emissions trading scheme in the world, and remains the biggest. It was launched in 2005 to fight global warming and is a major pillar of EU energy policy. As of 2013, the EU ETS covers more than 11,000 factories, power stations, and other installations with a net heat excess of 20 MW in 31 countries—all ...
