U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

History notes may be most logically taken in chronological order (or even in the format of a timeline). Science notes, however, may need to be taken in a particular sequence that shows mastery of one concept before moving on to the next. If in doubt about how to organize your notes, go with the textbook's organization.
