A Hacker's Guide To Programming The BBS02 & BBSHD. Karl Gesslein / June 26, 2015. One way that the BBS02 middrive unit shines over other competition like the Bosch is the ability to program the controller yourself. Although the process of programming the controller will void any warranty that you got with the unit, to many people the risk of voiding their warranty is outweighed by the possibility of getting more performance or having the PAS settings more to their liking.
