Let it be known that Trump's "Most Important Speech" was NOT given one iota coverage on my local nightly news this evening. On Fox, Tucker, Hannity, and Laura I. all had short segments on the speech - but in the middle of their respective programs and not as a leading story. On Tucker, Victor Davis Hanson did not seem overly optimistic.

That thing your English teachers are always telling you to have in your essays is an important literary device. A thesis, from the Greek word for 'a proposition,' is a clear statement of the theory or argument you're making in an essay. All your evidence should feed back into your thesis; think of your thesis as a signpost for your reader.
