[Victorian City And Country Houses](#)

In Great Britain and former British colonies, a Victorian house generally means any house built during the reign of Queen Victoria. During the Industrial Revolution, successive housing booms resulted in the building of many millions of Victorian houses which are now a defining feature of most British towns and cities.. In the UK, Victorian houses follow a wide range of architectural styles.

In the city, there might be a house steward and butler, or house steward only, or only a butler. In smaller establishments, the butler also served as valet. And in even smaller houses, the butler's job would indeed be hard, for he would combine the duties of butler, valet, and footman. In addition, I found this marvelous source.
